ARE YOU INTERESTED?

The Pali Institute offers a 3-day learning experience that focuses on bringing the textbook to life. Curriculum modules include outdoor education, Earth science, and leadership development. While at Pali, our Titans will be learning more about biology, geology, meteorology, renewable & nonrenewable energy resources while experiencing hands-on science. The cost for this overnight trip is \$330. We do not accept checks, but cash, credit cards, or debit cards are welcome.

1st payment due: November 1, 2017 (\$110)

2nd payment due: January 9, 2018 (\$110)

Final payment due: February 5, 2018 (\$110)
