

California Department of Education

Certificate of Recognition

is presented to

Merwin Elementary School

**2022 California Pivotal Practice
School**

in honor of your recognition by the California Department of Education as a 2022 California Pivotal Practice School.

We commend your creativity, dedication, and innovation in implementing significant practices in the face of adversity during distance learning. Your hard work and efforts to engage students and meet their academic and social and emotional needs during such challenging times is greatly appreciated.

Congratulations on this well-deserved honor. Please accept our best wishes in continuing to develop programs that ensure your students and school community thrive and grow.
