So there will be no delay in forwarding records, we ask that you complete the following written consent form. Please also read California Information Privacy Act on the back with regard to the Social Security Number, which will be used for Cal Grant applications when requested.

This is to certify that I have given NORTHVIEW HIGH SCHOOL Permission to release Official Transcripts when requested by the above named student. This may include, but is not limited to, such places as colleges or schools, business or industry for job application, legal public agencies, or the military.
