

**SUMMER ALGEBRA  
INSTITUTE** 

Hello Student/Parent/Guardian,

We are so excited that you are interested in attending the 5-week Summer Algebra Institute (SAI) at Northview High School. Most of you are graduating from 8th grade this year. Congratulations!!!!

We welcome you to NHS from June 10 to July 12 (no school on July 19, July 4 and 5). The school day will begin at 7:30 and conclude at 12:45. On your first day, you will be instructed to go to the library at 7:30 to meet your teachers. There is no pressure! If you show up everyday and do your best, you will pass the course!!!!

Highlights will include...

- grade appropriate math instruction
- hands on math activities
- field trips to college campuses
- college and career readiness modules
- study skills
- free breakfast and lunch
- 10 elective high school units to get ahead for graduation
- FREE/No tuition
- online adaptive computer math program (ED READY)
- adaptation to a high school campus
- culture related math activities

Once again, this is an incredible opportunity for students of all academic levels. Please reach out to me if you have any questions or concerns. I can't wait to see you on campus. Go Vikings!!
