This handbook is designed to help familiarize you with the policies and procedures at school. Please take a few minutes to read and discuss the information with your child. Contact your child's teacher or the school if you have any questions. We anticipate that your child will work hard this year and we will do everything possible to make certain he/she has a positive learning experience. We look forward to working with you.

Office Hours

Monday–Friday: 7:30–4:00 p.m. on school days

Office Procedures

- All classroom volunteers must report in at the office and obtain a visitors badge.
 - *Picture Identification required**
 - *Volunteers must also complete a Volunteer Packet and be Live Scanned through the Department of Justice. Packets are available in the office and should be returned to the District Personnel Office when the entire packet is complete. Live Scan Clearance may take up to 90 days.**
- Office phones are available for students to use in the event of an emergency.
- All forgotten homework, lunch or other items must be dropped off in the office.

Attendance

Attendance Matters! Only illness and/or doctor/dentist appointments constitute an excused absence. Inclement weather, trips, personal reasons, etc. are unexcused absences. Students may not be checked-out the last 30 minutes of the school day. Perfect attendance is no tardies, no absences, and no early check outs. You can make up days absent at Barranca Blast Saturday School.

Compulsory Full-Time Education

Each person between the ages of 6 and 18 years of age is subject to compulsory full-time education. He/she shall attend the public full-time day school or continuation school or classes for the full-time designated as the length of the school day by the governing board of the school district in which the residency of either the parent or legal guardian is located and each parent, guardian, or other person having control or charge

of the pupil shall send the pupil to the public full-time day school or continuation school or classes for the full-time designated as the length of the school day by the governing board of the school district in which the residence of either the parent or legal guardian is located.

Absence Reporting

Children have the best chances of being successful at school if they are here everyday and on time. In the event that an absence is essential, we ask that an adult report the absence to the school on the day of the absence by calling the office at 974-4000. Homework can be requested before 10:00 a.m. by calling the school office.

School Attendance Review Team (SART)

Students with nine (9) or more absences will be referred to the School Attendance Review Team. This program is coordinated through the Student Services Department and District Attorney's office. As a last resort, if the student's attendance remains unsatisfactory, the District Attorney's office may file a criminal case to hold the parents accountable. The maximum penalty is a year in the county jail and/or a \$2,500 fine.

Leaving School During School Hours

Parents planning to take children out of school during the day must come to the office and sign the child out of school. The office will call the child's room and have him/her meet the parent in the office. No person, other than a faculty member, is allowed to remove a student from a teacher's supervision unless he or she has acquired permission from the office. Students will not be released to anyone who is not listed on the emergency form and clear raptor. **Children lose valuable instructional time when they are not in attendance for the full day. Students may not be checked-out the last 30 minutes of the school day.**

SPECIAL NOTE: In the event of a serious natural disaster, such as an earthquake, students will be held at school until picked up by a parent or authorized individual listed on the list of emergency contacts.

Bicycles, Skateboards and Skates

Students in grades 4-5 may ride bicycles to school and must wear a helmet. Bicycles must be parked at the bicycle rack and locked. Please review with your child the safest route to and from school. **Bicycle riding, skating, scooters, and skate boarding are not allowed on the school campus at any time.**

Breakfast program

Breakfast will be served from 7:30-7:55am. The café closes at 7:55. For more information please contact Nutrition Services at (626) 974-7000.

Classroom Interruptions/Student Messages

Every classroom interruption disrupts the learning of your child. Please drop off forgotten items to the office. In an effort to ensure maximum learning time, we cannot interrupt the classroom to deliver forgotten items or to give students messages. **Cell phones are not to be seen or heard during school hours. Phones must be powered off and kept in a backpack.**

Conferences

Parents may call the school and arrange for a conference with the teacher when they feel the need to do so. Parents are encouraged to visit the school and their child's classroom whenever the conference can be arranged between parent and teacher. It is expected that teachers will receive reasonable advance notice from a person wishing to schedule a conference.

Homework Request

If, during your student's absence, you wish to pick up a homework assignment, requests need to be made before 10 a.m. and picked up after school.

Internet Use

Students will not be allowed to use the Internet without prior parental approval.

Lunch

Family members **may not** deliver lunches directly to classrooms. Forgotten lunches can be delivered to the office with the student's name on it. The office will place it on the lunch table outside. Children are responsible for picking up their lunch from the table at lunchtime. The office will not be allowed to interrupt the classroom regarding lunches. Students can always call home to inform their parents of their forgotten lunch. The cafeteria will feed children who have forgotten their lunch.

Mandatory Dress Code

All students are expected to come to school clean, well groomed, and appropriately/safely dressed. The Covina-Valley USD is continuing the mandatory standardized dress code this year. All students are to follow this code. Student dress has been shown to promote school safety, improve discipline, and enhance the learning environment. Whenever a student's appearance or dress is deemed disruptive to school activities, the parent or guardian will be informed

Black is not a school uniform color!

Bottoms- Solid Navy Blue or Tan

Tops – Solid red, white or navy blue, School T-shirt or sweatshirt, and or a top showing a college emblem.

Shoes - Closed toe shoes (worn with socks) appropriate for school wear. Sandals must have straps, closed toe and be worn with socks.

PRIDE Assembly Days - Jeans (no rips/tears/holes) may be worn with Future Husky/College/ Barranca gear on PRIDE award days.

Students are allowed to wear sun protective clothing (i.e. hats, sunglasses) outdoors (Section 35183.5, SB310, ch. 575). Hats worn at school cannot have team or brand affiliation (solid color hats and Barranca Hats only). No hats in classrooms, they must be worn OUTSIDE only.

Students who violate the dress code will be temporarily loaned a substitute uniform for the day or be directed to call home for a change of clothes. Students will be allowed to wear uniforms of nationally recognized youth organizations, such as Boy and Girl Scouts, on meeting days.

The following items are examples of inappropriate or unsafe dress:

Short shorts • shirts that expose the midriff/shoulder/back • see-through tops • backless or strapless shoes • open toe shoes • high-heeled shoes • slicked-soled shoes • shirts with any logo besides the school logo • tights or bike shorts without outer garments • excessively baggy or oversized clothing • oversized belts hanging from under apparel • belt buckles with initials or logos, long belts or belts with tails • footwear that has metal toes • jewelry/accessories that have the potential to be dangerous • Outrageous hairstyles and **colors not natural to human hair**. • Make-up is inappropriate for elementary students.

Medication

If your child needs to take any medication during school hours, prescription or non-prescription, written and signed instructions from both the physician and parents are required on special forms available in the school office. **State law prohibits students from bringing any form of medication with them to school.**

Parking Lot

The parking lot is a safety concern at all times. Please be a responsible and respectful example for our students! When dropping off or picking up your child, please follow parking lot procedures and park in marked spaces only. Numerous teachers are on duty to assist you.

There are three lanes to the parking lot. Lane 1 (nearest the curb) and Lane 2 (middle) are for pickup and drop off. Lane 3 (left) is for drive-through traffic only. **DO NOT leave your vehicle for any reason unless you park in a designated parking space.**

Please do not block any crosswalk, handicap parking space, or the bus lane (Lane 1). When picking up or dropping off, **parents are asked to pull forward as far as possible**. When dropping off, if you stop too close to the cafeteria, you disrupt the flow of traffic and this can cause back-ups on Barranca Ave.

NOTE:

Lane 1- Never use this lane to pick-up until the busses have come through.

Lane 2 - Please do not leave your car. Your child will be brought to you. Once you have picked up your child(ren), you may enter Lane 3.

Lane 3 - Drive-thru lane ONLY. You will not be allowed to pick up or drop off a child in the drive-thru lane.

When exiting the parking lot, turn right. Please avoid using your cell phone while driving in the parking lot.

Pets

Pets are not allowed on school grounds at any time. No exceptions. Service and emotional support pets must have a vest and papers must be present at all times.

Registration is online thru your parent portal account

Review, correct, sign and return the registration information form. This serves as your child's registration and source of important information in case of an emergency. Please include cell numbers. **Be sure to name at least two people who can be called in an emergency if you cannot be contacted.** It is important you notify the school immediately of any changes in home and/or work addresses and telephone numbers for you and any emergency caregivers. Please list childcare phone numbers and name of person/agency.

Releasing Students During School Hours

Students may be released to parents or other authorized adults during the school day by the office only. **Students will not be released the last 30 minutes of the school day.** Students must be signed out at the office and identification will be required.
