## Instructional Focus & Goals 2019–20

### Educational Services

#### Instructional Focus

Every student will be able to communicate reasoning, collaborate, demonstrate critical thinking, and creatively problem solve, in every classroom, every day – No exceptions!

#### By June 2020:

- 5% increase in the number of 1st grade students that are proficient or higher in **READING** and **MATHEMATICS**.
- 5% increase in the number of 3rd grade students that are proficient or higher in **ELA** and **MATHEMATICS** as measured by CAASPP and i-Ready assessments.
- 5% increase in the number of 6th grade students that are proficient or higher in **ELA** and **MATHEMATICS** as measured by CAASPP and i-Ready assessments.
- 5% increase in the number of 8th grade students that are proficient or higher in **ELA** and **MATHEMATICS** as measured by CAASPP and i-Ready assessments.
- 5% increase in the number of 11th grade students that are proficient or higher in **ELA** and **MATHEMATICS** as measured by CAASPP, District Writing Assessment, and International Math II completion rates.

#### LCAP GOALS

- Guarantee all students are eligible and ready for college and careers upon graduation.
- Implement innovative, research-based programs and practices to ensure the highest level of achievement for all students.
- Create a school-wide program of engagement that fosters innovative, positive environments within and outside of the classroom to connect students to school learning.
