

Covina-Valley Unified School District Learning Options Academy

We're Opening a New School!

Covina-Valley is excited to announce new options for students and parents. The Learning Options Academy offers three programs for students in grades K-12:

- Virtual Learning: a fully virtual (online) schedule using the C-VUSD curriculum supplemented by online learning modules APEX. The program will follow the C-VUSD pacing guides. Virtual Learning Courses will be taught by fully credentialed C-VUSD teachers. Middle and High school coursework will be successively more self-directed.
- Independent Study: a blended learning model in which both online and C-VUSD curriculum, textbooks, and materials are used. The parent and/or student meet with a teacher at least once a week either in person or virtually to provide support and guide the student.
- Homeschooling: follows the C-VUSD curriculum and pacing. With the support of a C-VUSD fully credentialed teachers, the parent is the students teacher. This parent provides instruction and monitors engagement and progress. The parent meets with the teacher weekly to plan instruction and lessons.

If you'd like more information regarding the Covina-Valley Learning Options Academy, please click on this link and complete the interest form:

<https://bit.ly/30O0P4p>

A representative from the Student Services office will contact you or you can call our District Office at (626) 974-7000 and ask for Student Services.

Based on the criteria from the California Department of Health, ALL Covina-Valley Schools will begin the 2020-21 school year in a distance learning model. You do not have to complete the interest form to sign-up for Distance Learning. Your home school will contact you.
