Good Evening, Covina-Valley Unified School District:

On behalf of The Board of Education, we would like to express our continued appreciation of teachers, staff, and administrators for their dedication and support of our students. I am pleased to announce, this evening, the Board of Education unanimously approved the appointment of Dr. Elizabeth Eminhizer as Superintendent of Covina-Valley Unified School District effective July 1, 2020. She is an exceptional educator who is truly dedicated to students and their success. She believes students should be the heart of all decisions and holds herself to the highest ethical standards.

As a visionary leader with a track record of driving academic excellence and social-emotional learning for every student, she was the ideal candidate for the position. Having served for the past six years, as the Assistant Superintendent of Covina-Valley, she is uniquely qualified to build upon the district's achievements. She has facilitated the development of the Local Control Accountability Plan, spearheaded C-VUSD's response to COVID-19, and has been involved in the development of a multitude of programs focused on student achievement and support. Through her leadership, the district has increased college readiness, expanded career pathways, and implemented 1:1 technology. She is well-liked and respected by students, staff, parents, and the greater C-VUSD community.

Dr. Eminhizer is a long time Covina resident and a proud graduate of Covina High School. She earned her teaching credential and a Bachelor's Degree from California Polytechnic University, Pomona and a Master's Degree from Azusa Pacific University. She recently earned a doctorate degree in K-12 Urban Leadership and Education from the University of Southern California. In addition to serving as the district's Acting Superintendent and Assistant Superintendent of Educational Services, she previously served as C-VUSD's Senior Director of Curriculum and Instruction. Prior to coming to Covina-Valley, she served as a Middle School and Elementary School Principal, Assistant Principal, and a high school teacher. Dr. Eminhizer is a natural leader with over 25 years of experience. We are excited to have her as our new Superintendent and are confident our students, staff, and community will continue to thrive under Dr. Eminhizer's leadership.

Please join us in congratulating Dr. Eminhizer!

Sincerely,
