

SAT 2020 PSAT/NMSQT

Covina-Valley Unified is offering the SAT & PSAT to all C-VUSD Juniors & Seniors

1

Free of Charge

We have worked diligently to bring this unique opportunity to our Juniors and Seniors to keep them on track for the next level of Education.

Ahead of the Game

SAT & PSAT NMSQT opportunities have not been readily accessible to our students in 2020. Covina-Valley has planned and prepared for cohorts of testing at each of our High School sites to provide this opportunity.

The Why

2

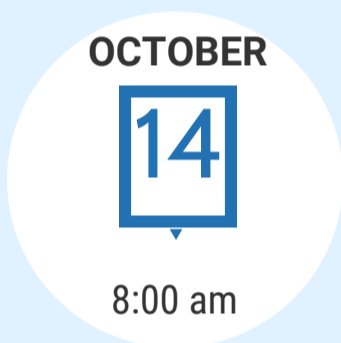

We are college-bound. An average of 70+ percent of our graduating seniors are prepared to enter a 4-year university upon graduation. All of our students deserve every opportunity to apply and be successfully admitted to the 2-year or 4-year college of their choice. The SAT and PSAT are two very important factors in that quest.

Who can test?

This opportunity is only open to Covina-Valley Students in the 11th and 12th grade **that opt-in for the exam.** The opt in link is below.

Date and Time

3

The SAT and PSAT/NMSQT exams will be administered on October 14th.

SAT Make-up day: Oct 27th
PSAT/NMSQT Make-up day: January 2021

Each school site will communicate approximate testing end times as times may vary slightly.

The last day to Opt-In for this exam is October 7th

It's about Opportunity!

4

Most Southern California students have not had an opportunity to take the SAT or PSAT due to the COVID 19 Pandemic. Now that sites have the opportunity to safely bring cohorts in for testing, we are in a prime position to offer this opportunity to our students.

Health and Safety Protocols

5

All Covina Valley-Classrooms have been outfitted with proper sanitizing stations, HEPA filters, and desks are spaced for social distancing. Face masks will be required, and temperatures will be taken upon entry.

Cohort Grouping

Students will be testing in cohorts of 12 with a singular test proctor. Six-foot social distancing between students will be observed.

More details

6

The site administration will coordinate the details for each of their respective sites. The exam will begin promptly at 8:00 am. Students will be notified of the testing location and campus entry point prior to testing day.

Only those that opt-in will be placed in a testing cohort.
