

COVINA-VALLEY

UNIFIED SCHOOL DISTRICT

Addendum No. 1

November 15, 2017

**WIRELESS ACCESS POINTS AT SOUTH HILLS HIGH SCHOOL E-RATE YEAR 21
(2018-19 SCHOOL YEAR) RFP NO. 17-18-103**

Below is the list of questions received and clarifications.

Question: Does the District have a preference on virtual or appliance based controller?

Clarification: **We prefer virtual.**

Question: Does the District need maintenance for the wireless controller? If yes would it be 1yr, 3yr or 5 yr?

Clarification: **If maintenance for the controller is not included with the purchase of the APs, then yes we need maintenance. We would prefer 5 yr.**

Question: We just have a general question to assist us in responding to your eRate Application and we need to know how many AP's they have total?

Clarification: **There are 118 APs.**

Question: Is the 118 quantity an addition to your current install base or are you looking to try to manage two systems.

Clarification: **The 118 APs will replace existing APs. There will be only be one system.**

Question: Will installation be required?

Clarification: **Yes installation will be required to replace existing APs.**

Question: Will accept alternative?

Clarification: **Per the bid, the APs specifications need to equal or exceed the listed Aruba APs.**

Question: Will configuration be required?

Clarification: **Yes per the RFP, page 25, paragraph 3 " The vendor will configure and tune the wireless access points to provide optimal connectivity for student, staff, and public use."**
