Appendix A (Job Position and Salary Schedule) attached is to be considered part of the description of the appropriate unit.
3. District and CSEA agree that bargaining unit work is to be performed only by bargaining unit members. Exceptions may be made when emergency situations arise, at which times management and/or confidential employees may intervene in order to work through the emergency situation in a timely manner.
4. The Board of Education agrees that if, subsequent to this Agreement, it creates any new classification(s) or reclassifies any existing classification(s), it shall notify the Association of its proposed action, describing the class(es) created or reclassified, number of positions, and indicate whether the new or reclassified class(es) is (are) a part of the bargaining unit or excluded there from. The Association may, within fifteen (15) calendar days of such notification, contest any assignment made by the Board of Education to include or exclude such class(es) and position(s) into or from the bargaining unit. If the Association contests the assignment, the parties shall meet toward the goal of achieving agreement, but the Board of Education retains the right to withdraw the class(es) or position(s) if agreement cannot be reached.
5. If the parties fail to reach agreement on the issue of the inclusion in, or the exclusion from, the bargaining unit of a newly created class(es) or a reclassified class(es), the matter shall be submitted to the Public Employment Relations Board for resolution.
6. The Board of Education agrees that if subsequent to this Agreement, it abolishes any classification(s), it shall notify the Association of its proposed action, describing the class(es) and the number of positions it proposes to abolish.

- b. For each month or major fraction of a month a full-time employee works the employee shall accrue one day of sick leave. Each employee who works a full year of service shall accrue one additional day of sick leave. - c. Sick leave is credited to the employee's account in advance of accrual. At the beginning of each fiscal year the employee will be credited with the amount of sick leave accrual for that fiscal year.
- d. Accrued sick leave which is unused shall be accumulated from year to year without limit.
- e. The amount of sick leave an employee may use at any one time is the total amount credited to the employee's account at that time, whether or not it has actually been accrued.
- f. An employee who is terminating employment will reimburse the District (deductions will be made from the pay warrant) for use of sick leave in excess of accrual.
- g. The District reserves the right to require an employee to furnish appropriate medical documentation of illness or injury after three (3) consecutive days of an illness or injury absence. When a pattern of sick leave abuse can be shown by the District, the District may ask for proof of illness or injury regardless of the duration of the illness or injury absence. Prior to the initial request for such proof, the District shall issue a letter to any employee suspected of sick leave abuse, that a request for proof of illness or injury will be requested in the future. A signed Report of Absence shall be provided by the employee for each use of sick leave.
- h. An employee who is entitled to temporary disability indemnity under the Worker's Compensation law may elect to take accumulated sick leave or accumulated vacation after accumulated sick leave becomes exhausted, which when added to disability indemnity will result in a payment of full salary or wage less appropriate deductions. When a District employee is entitled to pay under the Worker's Compensation law and is at the same time entitled to regular sick leave pay under this Article, in no case shall the total pay equal more than the normal salary of the employee.

The District shall have the right to adjust its sick leave pay so as to pay the difference between the amount paid under the Worker's Compensation law and the normal salary of the employee. The

accrued balance of sick leave shall be reduced in proportion to the amount used under this provision. The employee shall be notified of the adjustment.

- i. An employee who has taken sick leave may be required by the District, upon return and before assuming job responsibilities, to submit to the Personnel Services Department a written release from the doctor or hospital where treatment occurred. The District may require a physical or psychiatric examination of the employee before returning to work, such examination shall be conducted by a District-designated physician or psychiatrist with the cost borne by the District.
- j. Employees hired in summer school assignments shall earn sick leave on a pro-rated basis. Summer school employees may utilize during the summer school session any sick leave accumulated during the regular school year.

 - (2) If no substitute is employed to fill the employee's position, the employee shall be paid the regular salary.
- m. The five-month period referred to above commences when the employee is first absent from duty on account of the illness or accident, and runs consecutively with other paid leaves, including regular sick leave and vacation, except that, if the absence is due to an industrial accident, the five-month period commences on the first day after the industrial accident leave has been exhausted.
- n. When all paid or unpaid leaves of absence have been exhausted, an employee shall be separated and be placed on a reemployment list for the class for which leave was granted for a period not to exceed thirty-nine (39) months. In lieu of separation the employee may elect to request a leave of absence without pay pursuant to Section V of this Article or to apply for retirement, if eligible.

The employee suffering from such illness or injury or who has an immediate family member suffering from such must request, in writing, donations of sick leave or vacation from bargaining unit members only, through the Personnel Office. Requests shall be made prior to the exhaustion of all fully paid leave. Donation of sick leave or vacation will not be retroactive.

- (2) The Personnel Office will send out the notification of the request for donations of sick leave or vacation. The request will be sent for posting on all CSEA bulletin boards and the CSEA President notified of the request. All donations of sick leave or vacation will be voluntary with no personal solicitation of donors allowed. The names of any bargaining unit members donating sick leave or vacation under this provision will not be made public.
- (3) Only bargaining unit members who have a minimum of fifteen (15) days (120 hours) of accumulated sick leave or vacation remaining after donating five (5) days (40 hours) of leave under this provision will be permitted to participate in this program. Employees eligible to donate leave will do so on a District approved form and must submit that form to the Personnel Office.
- (4) The maximum number of sick leave or vacation that may be donated to any one person requesting donations under this provision will be equivalent to sixty-five (65) days.
- (5) Donated sick leave or vacation will be utilized for the specified employee in the following manner:
 - (a) donated sick leave or vacation will be assigned a usage number. The first donated sick leave or vacation received by the Personnel Office will be the first sick leave or vacation used by the beneficiary. As sick leave or vacation is used by the unit member requesting it, the leave time will be charged against the unit member donating the leave or vacation.
 - (b) if the employee returns to work prior to using all donated days, unused sick leave or vacation will be returned to the bargaining unit member donating the sick leave.

During the course of her pregnancy the employee may be required periodically to provide additional statements from her physician verifying this information.
- c. Ordinarily an employee is expected to continue to perform her duties until her physician certifies that she is physically incapable of performing her duties. If the employee wishes to cease performing her duties at an earlier date, she may request a personal leave without pay pursuant to Section 5 of this Article to be effective immediately prior to the pregnancy leave.

The employee shall be responsible for reporting such a situation to the department head as soon as it occurs. The employee shall also be responsible for providing whatever substantiation is required by the provisions of the applicable leave section of this Agreement.

13. Family Medical and Leave Act

 - c. When a unit member with at least one year of District service has exhausted all current and accumulated sick leave and continues to be absent on account of parental leave, he or she shall be entitled to substitute differential pay for the remainder of the 12-week leave. Substitute differential pay for purposes of parental leave means the difference between the unit member’s regular salary and (1) the amount paid to a substitute employed to replace the unit member or (2) if no substitute is employed, the amount that would have been paid to a substitute had a substitute been employed to replace the unit member.
 - d. When the need for parental leave is foreseeable, the unit member must give the District at least 30 days’ advance written notice of his or her intention to use parental leave and the anticipated dates of the leave.
