

Welcome Future Covina Colts & Family,

We are excited that you are interested in taking part of our Volleyball Program here at Covina High School. If you're new to the sport, volleyball takes place in the fall, usually ending in October. As a program we ask three things of all of our athletes: work hard, give it your all every day and have fun!

The 2019 season is starting two weeks earlier than in years past. We have a Volleyball Summer Camp and conditioning that will start **Monday, July 1, 2019**. The cost of the camp is \$80, which includes a CHS Volleyball Shirt and the Summer Tournament. All athletes will have 4th of July off. Below is our tentative Summer Schedule.
