

Hello Mesa Parents,

This is Dr. Hert, the principal of Mesa Elementary School. I have a few updates regarding the opening of school and teacher verification. By now you should have verified your registration through the parent portal in Aeries and as of today, your child's teacher is made available through the portal. If you do not see your child's teacher in Aeries, please make sure you have verified the registration.

In addition, I wanted to take a quick minute to walk you through the process of joining your child's class and being ready for the first day of school on Monday. First, please have your child log into their device using their 8-digit student ID (123#) number followed by @c-vusd.org. Next, on the second line please have them type in c-v and the last 5 numbers of their ID. After both lines are complete the child should be logged in. Next, have them select the Chrome browser. Then, click on Google Classroom icon (green), and then join your child's class. Please note, kindergarten and new students may have to choose a "student" option prior to selecting class. Once you have done these steps, you are ready for school on Monday. Please feel free to work with your student. Please practice logging on and off, muting and unmuting themselves, and helping them feel comfortable with the process. Lastly, please reference our school's website for the daily schedule if you have any questions regarding start and end times of the day.

We hope you have a great remainder of the week, and we are excited for school to begin.

Have a great night.
