MISSION STATEMENT
Tri-Community Adult Education creates an educational environment for a diverse community of adult learners, which promotes advancement of personal goals, academic, technological and vocational skills necessary to be competitive in an ever-changing global society.

Our belief system and foundation is focused on our Student Learning Outcomes:
■ College and Career Readiness
■ Problem Solving, Effective Communication and Critical Thinking
■ Becoming Responsible Citizens and Life Long Learners

OUR VISION
Tri-Community Adult Education will be recognized in the San Gabriel Valley as the premier job-training center to offer students’ pathways in high demand careers leading to better jobs, an academic program that creates seamless transitions to higher education and career opportunities for a better future, and community classes that can fulfill students’ personal goals to enable a better life.

COVINA-VALLEY TRADE-TECH ACADEMY
ADMISSION
Tri-Community Adult Education may admit as regular students only persons who meet the age of compulsory attendance (18 years old in CA). Completion from high school with a diploma or its recognized equivalent, a High School Equivalent (HSE) is a requirement for enrollment in the court reporting program only. Students must meet all the admissions requirements to be accepted for a specific program and start date. Refer to Student Handbook or website for full Admission Policy.

FEES
Fees for all classes will be charged as noted. All fees are payable at time of registration. Students pay for all supplies, materials, and textbooks. A service fee of $15 will be charged for returned checks, copies of certificates of completion, and letters of verification. There is an automatic processing fee for any change to classes. ALL FEES ARE SUBJECT TO CHANGE WITHOUT NOTICE.

REFUND & WITHDRAWAL POLICY
We realize that outside circumstances may sometimes impact a student’s ability to complete the program of study. When a student stops attending all of his or her classes, depending on the circumstances, it may be classified as a “withdrawal,” or “dismissal” from the institution. For the purpose of charges assessed and financial aid eligibility listed below, a dismissal will be handled the same as a withdrawal from the institution. Final date to request a refund is Monday, September 11, 2023.

TRANSFER POLICY
Tri-Community Adult Education clearly defines and publishes a policy on the transfer of students between programs within the institution and the transfer of students from other institutions. The transfer of students between programs within the institution is that at the time of registration, students must meet the requirements of the program in which they are enrolling. Students who transfer from other institutions are evaluated to meet the requirements of the program and receive approval from the administration.

REGISTRATION AND ATTENDANCE
A minimum number of students must be in attendance for a class to be registered. Excessive absences may cause classes to be closed or combined, or individual students to be dropped.

INSURANCE
TRI-COMMUNITY ADULT EDUCATION DOES NOT PROVIDE STUDENT ACCIDENT INSURANCE, nor is it provided for children participating in Parent Education or Child Care activities.

STUDENT RECORDS / RIGHT TO PRIVACY
All students are protected by state and federal laws regarding their right to privacy. The release of students’ educational records shall be according to the Education Code and State regulations.

DISCRIMINATION PROHIBITED
No person shall, on the basis of race, color, ancestry, national origin, gender, marital status, handicap, age, religion, or political beliefs, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in any education program or activity except as provided for use by law or regulation.

UNIFORM COMPLAINT PROCEDURES
Uniform Complaint Procedures are available in the office at each of our main centers.

METAL FABRICATION

Metal Fabrication is an umbrella definition for a variety of skills and trades where students learn how to build simple shapes to complex Hot Rod and Off-Road projects. Class projects range from simple construction bracketry to Chassis Fabrication/design and Sheet Metal forming.

Metal Fabrication introduces: Grinder/Cut-off wheel, Burr-king; Mig Welding; Tig Welding; Materials: Plate steel, Tubing, Stainless and Cold Roll Sheetmetal; How to use measuring tools: Tape measure, Calipers, Angle finder, Square; Basic Geometry, Trigonometry, Fractions and converting fractions to decimals; 3D modeling: PTC Creo; Manual Machining: Mill/Lathe; Tube Bending: JD2; Horizontal band saw and miter cuts; Plasma CNC Table: Torchmate and the provided software; Sheetmetal: Folding, Bending, Rolling, Shrinking/Stretching, Power Hammer (Baileigh), English Wheel (Baileigh), bead rolling.

During the 12-week program techniques and machines will be used to build class projects. These projects range from small bracketry to complete vehicles. We accept novice students with no experience to veterans in the trade or associated trades. It is not uncommon for students to take the class multiple times, advancing through the program and developing a stronger technique. Welding experience is not mandatory, just an eagerness to learn!

LANDSCAPE PHOTOGRAPHY - NIGHT AND SUNSET TECHNIQUE AND APPLICATION

Minimum 19 students.

Create beautiful night vistas and sunset landscapes filled with color and majestic hues! This class will focus on field experience to learn and apply the techniques and theory behind night and sunset photography. We will have discussion on location prior to each shoot and then apply learning points while shooting in sunset and night environments. The class will meet in the classroom to review images and bring both experiences and learning “full circle”. The class will also learn, practice, and utilize planning techniques and tools to think through a shoot before arriving at the location to maximize success and photographic opportunities. This class requires travel to Southern California destinations including evening and weekend hours (Monday evenings with several Sunday afternoon/evening shoots). Students must be able to use their camera in manual mode and a sturdy tri-pod is required. Proposed schedule and locations will be discussed during first meeting at 6:30 pm on the first Monday of the quarter.

GLASS - STAINED AND FUSING
Stained glass? Fused glass? Learn about both and then combine them in exciting new ways on your own projects. You will spend the first few weeks learning how to cut glass, how to copper foil, lead and solder. Then we'll learn all about fusing (melting) glass in a kiln including painting, etching and sandblasting techniques. Make jewelry, platters, windows or panels – the possibilities are endless! New students: Please bring safety glasses, a black sharpie marker and wear closed-toes shoes to the first class. Tools will be available for classroom use but expect to spend $12-$20 per week on materials depending on which projects you select.

**Minimum 16 students. Four (4) hours.**
