**BID # 13-14-101**

**“As Needed” Transportation – Addendum No. 1**

**Page 1 of 1**

In preparing bids, the Bidder shall take into consideration the following items. Information shown herein supersedes requirements issued under previous date.

The **Bid Deadline** has **NOT** changed and remains on **Thursday, November 14, 2013 at 1:00 p.m.** All bids are to be received in the Purchasing Department, **at 519 E. Badillo St., Covina, CA 91723**, prior to the deadline.

This Addendum is in response to the following question:

1. **Question:** I understand that this Bid is for transportation on an “as need” basis, however is it also “as available” by the vendor? Does the district to plan to award to multiple vendors in the event that if service is not available on the date requested another vendor will be offered the request, or is the awarded vendor to guarantee availability?

**Clarification:** Yes, it is also "as available" by the vendor. We plan to create a list of approved vendors to call as needed. In the event that service is not available on the date requested by the first vendor on the list, we will contact the next vendor on the list and continue down the list until we are able to book the request. We do not expect that any one vendor will guarantee availability for all requests.
