UNIFIED SCHOOL DISTRICT

Addendum No. 1

January 6, 2016

FIBER WIDE AREA NETWORK E-RATE YEAR 20 (2017-18 SCHOOL YEAR) RFP NO. 16-17-102

Below is the list of questions received and clarifications.

Question: Will the district accept one-to-one handoffs as opposed to an aggregation circuit? In other words 20 x 1GB instead of 1 x 10GB

Clarification: The District will consider any solution that meets the minimum specifications in the RFP.

Question: Does the district want to see 10GB pricing to all the remote sites or just 1GB?

Clarification: At this point, the District is considering the bandwidth speeds specified in the RFP.

Question: Would the district consider a 60-month contract?

Clarification: At this point, the District is considering the term specified in the RFP.

Question: Do you currently use a Fiber Optic connection for Transport?

Clarification: Not necessary for you to provide your solution.

Question: Would you consider wireless links?

Clarification: Please provide your solution. The District will consider all cost-efficient solutions received.

Question: Do you require combined ISP and transport?

Clarification: Please see the 470 Narrative for specified needs.
