# ***SHOP LOCAL AFTER SCHOOL CAMPAIGN!!***

Dear Business Owner:

Thank you for being part of the West Covina business community. Your business is vital to our City's success and we appreciate all that you do to make West Covina such a great place to live, work, and play. To show our appreciation, we would like to extend an offer that will enhance your business. We wish to invite you to join the new "***Shop Local After School Campaign***" that is designed to encourage residents and visitors of West Covina to shop at local retailers who give back to our local schools.

By joining this campaign, your business will be marketed throughout West Covina with additional promotion and support from our local school districts. As a member of this campaign, the City and school districts will recognize local businesses who donate funds toward afterschool programs through social media, newsletters, and with a custom made certificate for you to put in your business, acknowledging that you support our local schools.

With your support, your business will receive increased brand awareness and marketing while the children of West Covina benefit from enriching programs in science, engineering, music, dance, robotics, cultural arts, and many other fantastic after school programs.

To join our campaign, please visit our website: [www.westcovina.org/shoplocalafterschool](http://www.westcovina.org/shoplocalafterschool) and support our local schools. In addition, we have enclosed information on the Shop Local After School Campaign with the contact information of the West Covina and Covina Valley Unified School Districts that are currently part of the program.

Thank you for your support of our schools and the children in the West Covina community. Your contribution will impact our students and your business through this worthwhile partnership.

Sincerely,
