

Dear Students,

Congratulations on completing First Grade! We hope you had a wonderful year. Next year will be another exciting academic adventure that will include new challenges, and many opportunities for learning.

Rowland Ave. School will try to provide most of the materials you will need for the completion of your assignments in class; however, it would be helpful to have some other supplies.

Here are some necessary items that will make our year run more smoothly. All items are donated for the entire class use- so please do not label with your name.

Educationally Yours,

Second Grade Teacher

Second Grade Supply List

All items can be purchased at Target, Wal-Mart, Staples, or Office Depot. Watch the Sunday ads for these items to go on sale during Summer.
