

The Falcon Flyer

On November 13th, BMX riders Dan Hubbard and Ricky Moseley came over to Sierra Vista to reward those who sold at least one box of candy during the Fall Candy Fundraiser. They gave out some free Vans items and they both did some really cool tricks, especially when Ricky Moseley did some backflips on the bike. But, everyone can agree that one of the best moments of the whole show was when Moseley jumped over Mrs. Travieso on his bike. (Photo to the left) Overall it was a fun day and an awesome reward for the students. Check out the BMX riders' instagram. @danhubbardmc @rickyshoots

One lucky student is going to get this huge, "Vans off the Wall" sticker signed by Dan and Ricky. Who will it be?
